## SEDC Tree Walk

The SEDC Tree Walk was considered a success with 7 beautifully decorated trees and a display of beautiful wood-crafted items by Ron Anderson. The trees were sold by silent auction with the \$200 in proceeds being donated to SANSI. Plans are in the works for another tree walk next Christmas season. A big thanks to Pan Trinkle and Cecil Capper for all their hard work on this project. Also, thanks to all those who participated in decorating a tree for the event.
