Andersen made a motion to approve the agenda, second from Merritt. All ayes. Motion carried.

Wagaman presented the fund balances of all funds and presented a few different scenarios of how FY22 Revenues and Expenses would affect General Fund.

Council discussed Water/Sewer funds versus rates. They understand that the community has taken a hit last year and they want to be conscious of resident's financial situations. They will do a minimal rate increase for FY22.

Council discussed some options for cutting expenses. Departments will need to continue to cut costs each year to keep a healthy fund balance in the general fund. Council will plan on using LOST dollars to help maintain streets this year.

The next regular council meeting will be March 1, 2021 at 6:00 p.m. at City Hall.

There being no further discussion, Barner moved to adjourn at 7:15 p.m., second from Blakely. All ayes. Motion carried.
