Dear Renewing or Prospective Member:

Whether you are a current member renewing your commitment or a prospective member ready to join our organization, the Springville Economic Development Corporation (SEDC) is looking forward to partnering with you to make our great community even better.

The SEDC is in its fourteenth year of service to the community. There are many great happenings in Springville and your membership will help promote new housing developments as well as our businesses and Springville Schools. SEDC works to attract new businesses and encourage expansion of existing businesses, and this cannot be done without support from our friends in the community.

Please consider one of the membership options listed below. Without your help, the above listed projects cannot happen. Please do not hesitate to contact me or anyone who is involved with SEDC if you have any questions and please check out our website, [www.springville-sedc.org](http://www.springville-sedc.org). Thank you for your generosity.

Sincerely,
