CORONAVIRUS (COVID-19) UPDATE

Here in Springville, we are all concerned about the spread of the Coronavirus (COVID-19) and its impact on our community, our families, and our loved ones. Our office has been in touch with our local Fire and Rescue as well as all levels of government to mitigate and recover from this event. Things are constantly changing and we want our citizens to know that your City is keeping up on all the latest information and will do our best to keep you informed. We are continuing to identify community resources that are available and will become available. If you are experiencing any hardships during this time, please contact us and we will do our best to direct you to the right resource.

To help keep everyone safe and help prevent the spread of COVID-19, we kindly ask that you limit your exposure to City Hall.

We encourage you to:

Call or e-mail us. If you have a question or concern, please call or e-mail us prior to coming in to our office. We will try to facilitate your request remotely, if possible, to help keep everyone safe.

Water Payments: please place all payments into the drop box located in the door at City Hall to help limit person-to-person contact.

If you have loved ones in Springville and you are concerned for their well-being, please contact us so that we are aware of their needs.

Regards,

Dee Wagaman
